

Rogers-O'Brien
CONSTRUCTION

TRADE PARTNER PREQUALIFICATION

BUILDING TOGETHER STARTS HERE

We're updating our prequalification process to make it simpler, more consistent, and easier to manage across all RO projects. Rogers-O'Brien has transitioned to COMPASS by Bespoke Metrics, a secure platform that centralizes subcontractor prequalification in one place. With COMPASS, you can submit your information once and share it across multiple general contractors, saving you time and reducing duplicate work.

WHAT THIS MEANS FOR YOU

To be considered for work with Rogers-O'Brien, trade partners must:

- Maintain an active COMPASS account in good standing
- Complete the COMPASS 1Form in full
- Ensure all submitted information remains current, accurate and complete

INFORMATION CONTINUED ON NEXT PAGE

GET PREQUALIFIED

To bid work with Rogers-O'Brien, trade partners must complete two steps:
(1) get prequalified with RO, and
(2) be active in BuildingConnected, the platform we use to issue all Invitations to Bid.

ABOUT ROGERS-O'BRIEN

Rogers-O'Brien Construction is a Texas-based general contractor founded in 1969. With team members operating across five regional offices in Waco, Austin, Dallas, Houston, and San Antonio, the firm delivers construction services spanning advanced manufacturing, mission critical, healthcare, higher education, multifamily, and hospitality. Driven by a singular purpose, Together we build a better Texas, our mission extends beyond construction. It's rooted in partnership, progress, and an unwavering dedication to our clients. Our vision and mission are one and the same: *to be recognized as Texas' Premier Builder.*
